### 8. Correspondance

Footpath Application; An email has been received from KC regarding the Footpath Application Upper Highfields to Woodsome Road at Farnley Tyas. Progress has been made with drafting the report and compiling its appendices. The report will be reviewed before it is submitted to the committee but no date for that has been given as yet. KC apologises for the delay and they will keep the FTCCG updated as the case progresses.

PROW Signs Report; KC have acknowledged receipt of the report submitted by KH on behalf of the FTCCG. This will be dealt with by KC Green Action Team.

Ivy Farm Access Track; An email has been received from KC Enforcement confirming that they are looking into the unauthorised access track recently built off Thurstonland Road now it is no longer included in the application for a Farm Shop at Ivy Farm.

Enforcement will be looking into this matter asap.

Thanks were extended to Cllr Armer for chasing this enforcement up. The FTCCG and various residents had been unable to get any response from Enforcement to their queries prior to Cllr Armers involvement.

### 9.A.O.B

Tidy Tyas; Meet 10.30 on New Lane Terrace for a quick litter pick in preparation for the Village Platinum Jubilee events.

St Lucius Church; A memorial stone has been vandalised in the churchyard. The meeting recommended that this was reported to the police. The family have also been informed. If you have any information regarding this act of vandalism, please contact the police.

Yew Tree Farm; 2021/93006, 2021/93007, 2021/92969. Additional plans and supporting information have been added to this application by the applicant.

To view these new additions please visit Kirklees Council Website/planning. Comments can still be submitted by email at [dc.admin@kirklees.gov.uk](mailto:dc.admin@kirklees.gov.uk) quoting the above application numbers.

Post Office Van; The mobile Post Office Van has recently been unable to park for one hour a week in the car park of the Golden Cock (due to deliveries) and the village square (due to the landowner refusing permission).

This seems very disappointing as this provides an invaluable service to all our residents, especially the more vulnerable and elderly amongst us.

The Post Office Van will still endeavour to deliver this weekly service by parking somewhere in the centre of the village.

## 10.Farnley Flutter

The winning number was 32 and the lucky winner has been informed.

## 11.Date and Time of next meeting
